

# CHUCK'S DAY OFF

## CHUCK HUGHES LOVES TO PLAY WITH FOOD

If you're the owner and head chef of one of Canada's hottest restaurants and Mondays are your only day off, how would you spend it? If you're Chuck, you cook!

Chuck has a passion for all foods that are real, simple and uncomplicated. The tapestry of Chuck's tattoos is testament to his love - with inked lobsters, pomegranates, lemon meringue pie and bacon covering him.

This is not your average cooking series - although there are plenty of delicious, easy-to-make recipes. Recipes such as his Braised Short Ribs and Guerilla Banana Ice Cream Sandwiches will have you scrambling for the kitchen.

The energy that Chuck, his bustling restaurant and its frequent drop-in characters brings to each episode leaves you feeling less like you've just watched a how-to cooking show and more like you've just hung out with Chuck and his entourage behind-the-scenes.
