

**HAUMOANA IS MORBIDLY  
OBESE AT NEARLY 200KG  
AND HIS LIFE IS A MISERY.**

Following countless failed diets and exercise regimes, Haumoana is already showing the signs of serious disease. Faced with ongoing bullying, inevitable health problems and an early death, his family are at their wits end and have run out of other options. Haumoana has decided to undergo lap-band surgery; something considered an extreme move for a child of his age. Without this medical intervention he faces certain death. The amount of weight he can lose comes down to Haumoana. Could this be his chance of a normal life?
