## WORLD of DESIGN

*Shaynna hunts down design inspiration from the hottest spots on the planet.*

Interior designer Shaynna Blaze takes you on an inspirational journey to the hottest design spots on the planet, as she hunts down ideas to create her own unique lighting range. Viewers will experience the romance of Lake Como, the hypnotic beauty of glass blowing in Venice, the glamour of Milan's high-end design houses and the funky industrial edge of New York. Along the way Shaynna will get the inside word on the latest trends from the world's most respected

design gurus. With her mind bursting with ideas, Shaynna returns to her studio and designs an incredible lighting range that ties together all her travels. She creates beautiful lights combining elegant Italian curves with the gritty industrial edge of New York. Shaynna must then launch her new lighting range to the world at the planet's biggest trade fair in America. Her reputation is on the line, can she pull it off? Find out in *Shaynna's World of Design*.
