ADDICTED TO THE LIFE TELLS THE STORIES OF EVERYDAY MEN AND WOMEN WHO GET CAUGHT UP IN A LIFE OF CRIME AND CAN'T BREAK THE HABIT.

Driven by ambition, greed, fear... even love, once they're hooked morals are no match for the lavish lifestyle and the gripping adrenaline rush that comes with danger and deception. But the 'highs' come with a staggering price tag, from broken bones to broken dreams, to time behind bars and even death.

These are cautionary tales of crime by people not so different from the rest of us – a high school track phenomenon turned drug queen pin, an all-American suburban father turned safecracker and a foreign prince turned murderer. They all paid a terrible price and have unbelievable stories to tell. Stylised dramatic recreations and interviews with exclusive insiders and eyewitnesses – family members, friends, journalists, law enforcement and, in some cases the culprits themselves, reveal these jaw-dropping stories. These are good girls and boys gone very bad!
