AIR

everyday life is art

FRESH

AIR

Happy-go-lucky, with no careers, kids or wealth to worry about Jack, Kit & E rent an old house in Marrickville. It's cheap & cosmopolitan. And polluted.

Jack: Chronic motorist. Working class parents. Kit's inhibited boyfriend. A failed short-filmmaker. Soon-to-be unemployed again. Once played soccer. Crippled by past failures. Still dreams of being a hero. 29 years old.

Kit: Avid pedestrian. Parentless. Jack's intelligent girlfriend. An instinctive painter. Works part-time in Asian deli. Plays the piano-accordion. Wondering about her future. Wishes art was as popular as sport. Aged 27.

E: Taxi addict. Rich dad, estranged. Kit's indulgent best friend. A budding pop musician. Casual university student. Lives day by day. Makes a 'zine illustrating what she does with her friends. 27 turning 28.

Care free? Maybe not.

It's time Jack woke up, Kit moved on and E got real.
