Dig and Dug
with Daisy

Series Outline

**Here comes trouble...! Animated fun and mechanical mayhem**

This hilarious model animation series is the perfect answer to children's fascination with machines. The misadventures of Dig and Dug are sure to delight an inquisitive young audience, and provide plenty of laughs along the way.

Dig and Dug are loveable workmen who experience mechanical mayhem wherever they go, from the farm, to the factory. They always set out with good

intentions as they attempt to 'mend' all kinds of crazy machines, but just end up making things worse!

Luckily, they are closely followed by their friend Daisy. Daisy knows more about how things work than her clumsy friends, and saves the day, again and again.

- **Charming, colourful characters and entertaining, action-packed stories.**
- **Appeals to children's fascination with machines.**
