Queen OF THE OIL PATCH

The incredible life of one man and two spirits!

Massey Whiteknife is a businessman from the Canadian oil industry. He has an idea that will push the boundaries of every person doing business in the local area. He's introducing a fresh face to take over his company, Iceis Rain. Iceis is a free-spirited female recording artist looking for a change, however, Iceis and Massey are the same person.

Iceis is about to take on the business scene in Alberta. It's going to be a wild ride as Massey and Iceis experience the reality of being 'Two Spirited', someone who identifies themselves as having both a masculine and a feminine spirit, in Canada's conservative oil sands environment.
