Some motorists seem to have left their brains in neutral.

MOTORWAY PATROL

Police officers monitoring our busy motorways are confronted with daily chaos and bizarre situations. Keeping everyone safe on the road is the team's top priority, but it's only part of the story. Their work is never predictable; every shift is a challenge as the officers deal with emergencies, crime and lunatic public. In the award-winning *Motorway Patrol*, you have total access on the front line with the officers to experience the unique and compelling blend of action, drama and humour. This is more than just a chase-and-ticket show;

Motorway Patrol puts a human face to one of the toughest jobs around. Viewers will also gain a rare insight into just how much time, resources and personnel go into policing a motorway.

This is some of the best and worst behaviour to be found on a motorway so buckle up!
