

**wreck** *n.* Something shattered or dilapidated; the remains of something that has been ruined.

*Wrecks To Riches* is a make-over series with a difference: Barry White is a restoration angel and his speciality is transforming classic car wrecks back to their former glory.

Barry White's Speed Shop has just four weeks to turn each dilapidated car into cash. After sourcing original equipment reproduction parts, and expending lots of money and sweat, it's off to America's most prestigious auto auctions to see whether their work will stand up to the scrutiny of potential bidders.

Will the remains of a 1969 Chevrolet Chevelle, a 1969 Chevrolet Camaro, a 1971 Pontiac, a 1964 Chevrolet Nova, a 1969 Mustang and a 1969 Mercury, among others, be transformed back into truly classic icons of motoring? Follow the uphill journey from Wrecks To Riches.
