

**VIVIENNE
WESTWOOD'S**

LONDON

HER LONDON IS ABOUT TO BECOME YOUR LONDON

Vivienne Westwood's London is an entertaining journey through the British capital led by one of the world's most influential fashion designers. Considered a national treasure and accorded rare access to London's grandest cultural institutions, Dame Vivienne Westwood is our engaging host and humorous tour guide; proudly showing off the city that inspires her work and gives her life 'meaning and purpose'.

Cameras trail the energetic 68 year old as she criss-crosses London on bike and foot. She introduces us to her favourite places and what she does when she's not designing clothes, as well as teaching a whole new way of looking at the world in which we live. At the core of this documentary lies Westwood's belief that culture can save humanity; and by showing us how we not only travel through the city but also tour the mind of one of Britain's most original characters. Fuelled by an enthusiasm for London so passionate it's virtually contagious, featuring animated sequences that bring her unique concepts to life, we guarantee this will be one tour you won't soon forget!
