

LOVE IT «OR» LIST IT VANCOUVER

Love It or List It is moving west to Vancouver!

Following the success of *Love It or List It*, this series showcases families in Vancouver with a brand new cast of interior designer Jillian Harris and realtor Todd Talbot. Set on the beautiful Pacific West Coast, viewers will be treated to stunning visuals of dramatic seascapes embraced by mountains.

Love It or List It Vancouver helps families who are struggling with homes that no longer suit their needs. They may have outgrown the home they once loved or the lustre has worn off, leaving the homeowners faced with the dilemma of whether they should love it or list it! It's up to Jillian to revive that love and put a stop to the wandering eyes of our homeowners. Armed with a list of "must-haves", she creates a design she hopes will persuade them to stay. Meanwhile Todd is determined to get the homeowners to relocate by dangling the temptation of dreamy new homes. He must persuade the family member intent on staying that they should list. Right from the start, there is an evident divide among the homeowners, one wants to move and the other wants to stay. Every episode takes its viewers on an emotional rollercoaster as designer and realtor battle it out for the homeowners' allegiance.

The stakes are high as the homeowners weigh in the financial and emotional decisions of buying a new home or staying in the renovated one – will they love it enough to stay or is it time to list?
