# NATURAL BORN OUTLAWS

*Natural Born Outlaws* tells the larger-than-life stories of some of history's toughest and meanest outlaws. From Al Capone, Bonnie & Clyde and Machine Gun Kelly to Baby Face Nelson, The Krays and John Dillinger. The series recounts the gruesome shootouts, audacious robberies and scandalous kidnappings that made each bandit famous. It also details the deadly manhunts, stakeouts and ambushes orchestrated by the intense and dedicated lawmen intent on getting them at all costs. Using a combination of dramatic re-enactments, in-depth interviews and animated comic book panels, *Natural Born Outlaws* sweeps you along for the rise and fall of history's most notorious criminals, plus the thrilling cat and mouse chase that ended their reigns of terror. From the mean streets of Chicago to the dark alleys of London, *Natural Born Outlaws* draws a vivid picture of those legendary criminal masterminds whose smarts, grit and guts made them a terrifying force to be reckoned with, and of those ready to risk everything to bring them down.
