

LOVE IT « OR » **LIST IT**
VACATION HOMES
WILL THEY OR WON'T THEY?

This new spin-off series of the globally successful primetime format *Love It Or List It* offers viewers something a little different.

Featuring a series of unique homes and breathtaking scenery, the focus now turns on holiday homeowners whose love affair with their beloved holiday home has fizzled.

Faced with the eternal dilemma of whether they should *Love it Or List It*, each episode takes the viewers on an emotional rollercoaster ride as our designer Dan Vickery and estate agent Elisa Goldhawke battle it out to win over the homeowners. Our designer has to overcome the hidden surprises that come with every renovation, and deliver a beautiful transformation so the owners will LOVE their holiday home again. Meanwhile our estate agent will have to pull out all the stops to find the perfect new vacation home and will have them rushing to LIST their current property.

Set in some of the most beautiful locations in North America, each episode will end with that all-important question – will they LOVE IT OR LIST IT?
