

# HERO SQUAD

**SAVING LIVES AND RESCUING PEOPLE IS NOT JUST PART OF THE JOB... IT IS THE JOB.**

Six children are transformed into *Hero Squad* cadets and undergo a rigorous training programme alongside real life-savers. Under the watchful eyes of presenter Rav Wilding and closely supervised by experienced mentors, these six wannabe heroes have the experience of a lifetime. Our brave recruits work alongside the emergency and rescue services of the Royal National Lifeboat Institution, HM Coastguard, Fire Service and Mountain Rescue. In just 48 hours, the *Hero Squad* cadets have to learn the skills and techniques in order to cope with a 'real life' rescue scenario. This sees our teams dealing with a man overboard at sea, casualties on a cliff, fires, civilians lost on the mountains or injured in caves.

Can the *Hero Squad* cadets master the skills of their adult counterparts and prove that kids are capable of saving lives?
