

Bringing authentic Mexican flavours, techniques and traditions to your kitchen!

Pati's

MEXICAN TABLE

PATI'S MEXICAN TABLE explores the breadth of Mexican cooking and the creative possibilities of authentic ingredients, regardless of where in the world the viewer's kitchen may be. Host Pati Jinich shares the tastes of her childhood and culinary adventures in her native country.

Pati gives an insider's perspective into Mexico as she explores the hottest restaurants, food stands, markets and vineyards. Then back in the kitchen she turns this inspiration into mouth-watering dishes that are so simple anyone can make them. Get ready for recipes such as Mexican chocolate donuts, Tex Mex chilli, honey chipotle ribs, tortilla soup and grilled pineapple margaritas.

Born and raised in Mexico City, Pati is a former Latin American policy analyst turned chef, cooking teacher and food writer. Pati has a best-selling cookbook of the same name, has cooked for President Barack Obama and is a familiar face on US television.

This series invites cooks of all stripes from around the world to be creative in their own Mexican-inspired kitchens.
