available

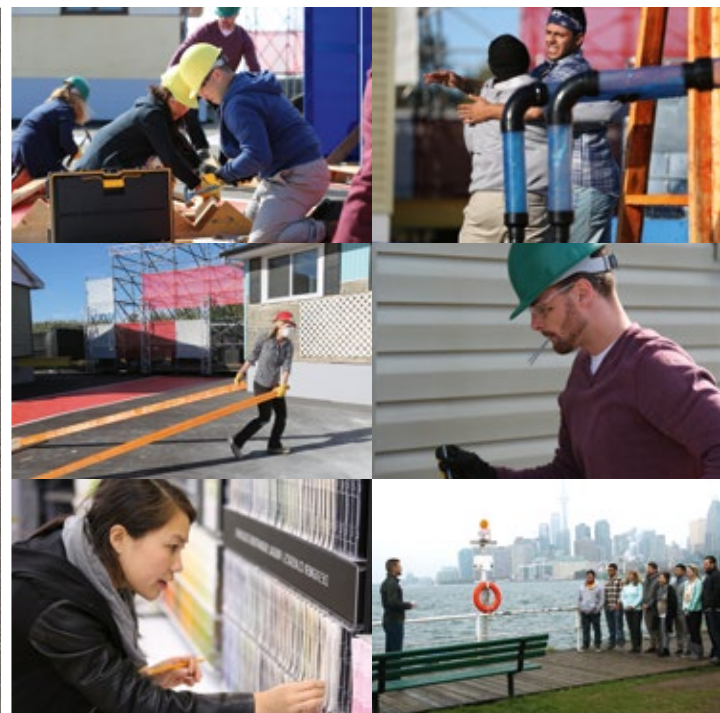

IN THIS NEW SERIES, HOST DAVE SALMONI GUIDES FOUR PAIRS OF AMATEUR HOME RENOVATORS AS THEY COMPETE FOR THE PRIZE OF A LIFETIME!

Four houses, destined for destruction, are ripped from their foundations and transported to the epic *Game of Homes* arena.

There, four teams of amateur renovators will live in them for eight weeks, turning them week-by-week and room-by-room into their dream homes.

This action-packed series pits each team's skill, ingenuity and teamwork against the others. In each episode, our resident judges Colin McAllister and Justin Ryan (*60 Minute Makeover*, ITV), along with celebrity guest judges, vote for their favourite room renovations based on design and workmanship, and award spectacular weekly prizes.

In the end, one team will walk away with the ultimate prize: their completely renovated home, and somewhere amazing to live!
