

CHUCKMAS

**Chef Chuck Hughes
has been busy of late...**

**He's opened a new restaurant,
bought his first home with his
girlfriend and all the while
juggled a red hot TV career.
Now he's got a real challenge on
his hands – he has to host his
very first Christmas dinner!**

In this fun-filled holiday special, Chuck works to pull off a one-of-a-kind Christmas celebration. As always, he aims big. He wants to create a whole new menu incorporating his family classics, with a Chuck twist of course, plus a few new additions to recognise some of his girlfriend Sabrina's family traditions. Of course no one hosts Christmas dinner without a lot of help. Chuck runs around town collaborating with his plugged-in suppliers and friends and his mom Francine. Francine normally hosts the family's Christmas dinner so Chuck is keen to impress her with his first effort. Full of holiday fun, great food and family, this is Chuck's take on Christmas. This is *Chuckmas!*
