THE BIGFOOTS

Welcome to the wild and whimsical world of The Bigfoots, a fun family adventure that combines prehistoric charm with modern-day magic! Meet the Bigfoot Family, the last surviving dinosaurs of their era, as they navigate the chaos of their floating island home in the vast, uncharted sea.

The Bigfoot Family consists of Papatuk, the lovable yet cowardly father, Mammamia, the genius inventor who's always concocting creative solutions. Popooh, the energetic troublemaker brother. Pippoo, the incredibly strong baby girl who proves that size doesn't matter. Granny, the forgetful grandmother who keeps everyone on their toes. Oldfoot, the great storyteller grandfather who regales the family with tales of their prehistoric past. And then there's UncleRock, the music buff who adds a groovy twist to their adventures.

But it's not just the Bigfoot Family that makes this island unique; it is home to a magical volcano that takes them on fantastical journeys. From visiting the tiny ant village to exploring an alligator-infested island, this family's escapades know no bounds. Whether they find themselves trapped in the belly of a giant whale or face off against quirky creatures, the Bigfoot Family always manages to find a way back to their cozy island. Along the way, they learn lessons about family, friendship, and the value of adventure.

OLGA DA POLGA

Paddington may be the most famous of Michael Bond's creations but the accident-prone bear wasn't his favorite character! Michael kept guinea pigs his whole life. He loved how they chatter away to whoever will listen, telling stories about who knows what! And that's why he created Olga da Polga – 'a guinea pig who's going places!'

In Michael Bond's hands Olga is a loveable and highly imaginative guinea pig. She lives with the Sawdust Family and a collection of backyard animal friends. At the mere drop of a hat she'll spin one of her outlandish yarns! And don't imagine she's going to let a limited grasp of the facts or big new words get in the way of a good story. As long as she can put a guinea pig centre-stage, Olga will be happy!

With Noel the house cat as a playful antagonist alongside tortoise Graham and hedgehog Fangio as her devoted fan-club, Olga dreams up endless fantasies and schemes which generally have their sources in the rather more mundane world of being a family pet!
