The official column!

EXCLUSIVE TO TOPS OF THE POPS MAGAZINE

All about me!
Hey! I'm Alexandra (Alex for short) and I'm so excited to be writing the first-ever official The Next Step Column for TOPS Magazine! I'm a proud Canadian living in Toronto and I play Piper on The Next Step! I get to do both of my passions – acting and dancing!

World Book Day!
I know you'll be celebrating World Book Day in the UK this month – I'm such a HUGE fan of reading! I'm inspired by my younger sister, Olivia, who read 65 books in 2022! I really enjoyed Harry Potter: The Hunger Games and Divergent.

Dancetastic!
I love sharing my passion for dancing and acting and feel so grateful I can do that on The Next Step! It usually takes a day and a half to film one episode – we work really quickly. I'm dedicated to learning my lines so that I can know them without having the script and then have fun with the scene.

Strong girls unite!
Role models play such an important part in my life and my career. Women and girls deserve to be celebrated every day and supported so that they can realize their full potential! I'm so grateful for all the women in my life who love and support me.
