

PRODUCT INFORMATION

Paramount + • Documentary • 60 Mins

Premiere Date: November 8, 2022

ANGOLA DO YOU HEAR US? VOICES FROM A PLANTATION PRISON tells the story of playwright Liza Jessie Peterson, whose acclaimed play *The Peculiar Patriot*, was shut down mid-performance at the Louisiana State Penitentiary, commonly known as Angola Prison.

The documentary examines what led to the shutdown of the performance, the material that confronted a system, and how the impact of Peterson's visit rippled through Angola long after the record of her visit was erased by prison authorities.
