RENEWED FOR SEASON 3!

From the talented visionaries that brought you *Lost* and *Game of Thrones* comes a contemporary sci-fi horror series, which centers on a small town made up of stranded travelers who must learn to follow the rules – or put their lives on the line

**FROM** unravels the mystery of a nightmarish town that traps all those who enter. As the unwilling residents fight to keep a sense of normalcy and search for a way out, they must also survive the threats of the surrounding forest – including the terrifying creatures that come out when the sun goes down.

In season two, hidden truths about the nature and terrifying origins of the town begin to emerge, even as life for its residents is plunged into chaos by the arrival of mysterious newcomers.
