S2 Premiere Date: December 15, 2022

In this follow-up series to the 2006 half-hour comedy, out-of-touch old-timers are determined to help a bunch of knucklehead new-schoolers navigate the ruthless game of football on and off the field

Relocating from San Diego to Sin City, **THE GAME** returns with a mix of original cast and new players to offer a modern-day examination of Black culture through the prism of pro football. The team will tackle racism, sexism, classism, and more as they fight for fame, fortune, respect, and love — all while trying to maintain their souls as they each play **THE GAME**.
