**A brilliant team of forensic investigators deploys new forensic techniques to do what they do best: follow the evidence**

**CSI: VEGAS**, continues the legacy of the global hit franchise. Amidst the neon lights and long shadows, dark threats lurk in Sin City. Maxine Roby leads her brilliant team of crime scene investigators — Catherine Willows, Allie Rajan, Detective Serena Chavez, Chris Park and Beau Finado — as they use science to solve baffling mysteries. Chief among them: who framed their colleague, Joshua Folsom, for a gruesome murder? The most daunting and dangerous cases in the history of this storied franchise are coming, and the team will have to deploy the latest forensic techniques to preserve and serve justice in Sin City.
