STAR TREK: STRANGE NEW WORLDS is based on the years Captain Christopher Pike manned the helm of the U.S.S. *Enterprise*. The series follows Captain Pike, Science Officer Spock, and Number One in the years before Captain Kirk boarded the U.S.S. *Enterprise*, as they explore new worlds around the galaxy.

In season two, the crew of the U.S.S. *Enterprise*, under the command of Captain Christopher Pike, confronts increasingly dangerous stakes, explores uncharted territories, and encounters new life and civilizations. The crew will also embark on personal journeys that will continue to test their resolve and redefine their destinies. Facing friends and enemies both new and familiar, their adventures will unfold in surprising ways never seen before on any Star Trek series.
