Determined to be Harvard-bound at any cost. High-schooler Honor Rose will do anything to achieve her goal. Will she succeed in taking out the completion, or will stumbling into love with *Stranger Things* Star Gaten Matarazzo (Michael) along the way change her plans?

HONOR SOCIETY follows Honor, an ambitious high school senior whose sole focus is getting into Harvard, assuming she can first score the coveted recommendation from her guidance counselor, Mr. Calvin. Willing to do whatever it takes, Honor concocts a Machiavellian-like plan to take down her top three student competitors, until things take a turn when she unexpectedly falls for her biggest competition, Michael.
