Emmy® Award nominee Vanessa Bayer (*Saturday Night Live*) stars in this new comedy inspired by her own story of overcoming childhood leukemia

I LOVE THAT FOR YOU centers on Joanna Gold, who dreams of becoming a host at a home-shopping channel. Working to shed her life-long label as “that cancer girl,” she moves away from her parents, starts a budding romance for the first time in her adult life, and forms a meaningful friendship with her idol Jackie, all against the backdrop of a highly competitive workplace run by an unstable billionaire where people play dirty to succeed. Molly Shannon appears as Jackie, the charismatic star of the network. Jenifer Lewis plays Patricia, the icy, enigmatic founder and CEO of the popular home shopping channel; Paul James as Jordan, a charming but dry stage manager; Ayden Mayeri as Beth Ann, an ambitious insecure host; Matthew Rogers as Darcy, the ingratiating right-hand man to the CEO; and Emmy® nominee Punam Patel as Beena, an offbeat backstage producer.
