**SERIES INFORMATION**  
Paramount+ • Drama • 60 Mins  
Seasons 1–2 (10 eps each)  
U.S. S2 Premiere: June 3, 2021

**A darkly comedic anthology series from the creator of *Desperate Housewives* and *Devious Maids*, Marc Cherry**

The first season of **WHY WOMEN KILL** details the lives of three women living in three different decades: a housewife in the '60s, a socialite in the '80s and a lawyer in 2019, each dealing with infidelity in their marriages. The series examines how the roles of women have changed, but how their reaction to betrayal...has not.

The second season of **WHY WOMEN KILL** features a new ensemble cast and storylines set in 1949 that explore what it means to be beautiful, the hidden truth behind the facades people present to the world, the effects of being ignored and overlooked by society, and finally, the lengths one woman will go in order to finally belong.
