**French filmmaking duo Julien Maury and Alexandre Bustillo dive into the oceans depths to bring you a unique haunted house film**

Deep below the surface of a seemingly tranquil remote lake lies a perfectly preserved family home. When a young influencer couple sets out to explore the submerged house to capture uncharted content for their social media followers, their dive turns into a nightmare as they discover a sinister presence. With limited oxygen supply and time running against them, the couple must find a way to escape the underwater house of horrors before it's too late.
