Famed Adventurer Tad Jones is back for the third installment of this hit animated franchise.

Tad would love to be accepted by his archaeologist colleagues. Still, he always ends up messing it up: he smashes an Olmec pyramid and unleashes a spell that endangers the lives of his friends Mummy, Jeff, and Belzoni. With everyone against and only helped by Sara, Tad embarks on an adventure-filled escape, which will take him from Mexico to Chicago and from Paris to Egypt to find a way to end the curse of the Mummy.
