KAMP KORAL: SPONGEBOB'S UNDER YEARS, the first-ever SpongeBob SquarePants spinoff.

Follow 10-year-old SpongeBob SquarePants and his pals as they spend their summer building underwater campfires, catching wild jellyfish, and swimming in Lake Yuckymuck at the craziest camp in the kelp forest.

Welcome to Kamp Koral, where the Krusty Kanteen is krusty, Lake Yuckymuck is yucky and the Clampitheater is clammy! Previously known as Camp Coral, this summer getaway has a new camp master, Lt. Eugene Krabs, Ret., and is the ideal setting for kids to be kids. Kamp Koral is that special place where campers experience life-changing moments, from 10-year-old SpongeBob catching his first jellyfish to Patrick taking his first bite of ice cream (then second... then third...) to Mr. Krabs and Mrs. Puff going on their first date. The characters may be younger and in a whole new location, but they still embody all the wacky, off-beat, all-ages humor that makes SpongeBob SquarePants a global icon.
