Golden Globe® winner David Caruso plays a high-tech homicide cop in this action-fueled look at crime and punishment in Florida's tropical paradise

A team of forensic investigators in Miami use both cutting-edge scientific methods and old-fashioned police work to solve crimes. Horatio Caine, a former homicide detective, heads a group of investigators who work crimes amid the steamy tropical surroundings and cultural crossroads of Miami. His team includes Calleigh Duquesne, a bilingual Southern beauty with a specialty in ballistics, and Eric Delko, an underwater recovery expert who knows all the twists and turns of the Florida waterways. Together, these investigators collect and analyze the evidence to solve the crimes and to avenge those who cannot speak for themselves — the victims.
