Premiere Date: February 24, 2023

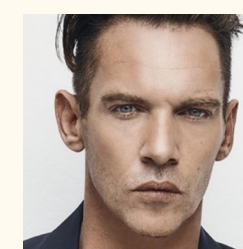

## How do you wage war against an enemy you can't see?

A group of young commandos, led by their Captain (Aaron Eckhart), must penetrate deep into the heart of the jungle for the highly classified information that can change the fate of the war. Under relentless attack by an overwhelming, invisible enemy, the elite team must summon extraordinary courage to infiltrate the complex labyrinth of underground tunnels, with danger at every turn.
