

# TOM SWIFT

**SERIES INFORMATION**  
The CW • Drama • 60 Mins  
Season 1 (10 eps)  
2022

From the creators of *Nancy Drew* and *Dynasty* and based on the popular book series that sold more than 30 million copies worldwide comes the enthralling action-adventure mystery that follows the adventures of a billionaire inventor...

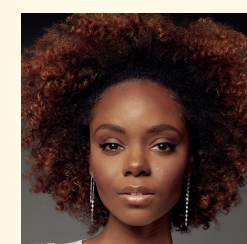

As an exceptionally brilliant inventor with unlimited resources and unimaginable wealth, the devilishly charming Tom Swift is a man who many men would kill to be or be with – a man with the world in the palm of his hand. But that world gets shaken to its core after the shocking disappearance of his father thrusts Tom into a breathtaking adventure full of mysterious conspiracies and unexplained phenomena.

While Tom navigates these emotionally charged dynamics, his missions will require his genius and his flair for innovation guided by romance, friendship, and the mysteries of the universe yet unsolved.
