

SERIES INFORMATION

Paramount+ • Sci-Fi, Drama • 60 Mins
Season 1-2 (17 eps total)
S2 Premiere Date: February 8, 2024

Halo's epic universe and cast of bold characters come to life in this new original drama series. Based on the iconic Xbox franchise, *Halo* has grown into a global entertainment phenomenon.

A richly imagined and human sci-fi drama, **HALO** is set against the backdrop of interstellar colonization in the 26th century. After years of human civil war and growing political unrest, mankind's very future is threatened when our outermost colonies intrude upon the sacred worlds of The Covenant – a fanatical powerful alliance of alien species. As the Covenant destroys world after human world, only one soldier slows their advance: a cybernetically enhanced "Spartan" supersoldier, the Master Chief. But as the incredible mystery of the Covenant's true ambition and the secrets of his own enigmatic past converge, he will have to decide if humanity is a cause worth saving.
