**A Golden Globe® Award-winning provocative drama
starring Golden Globe® Award nominee Dominic West
and Golden Globe® Award winner Ruth Wilson**

Both deeply observed and intriguingly elusive, **THE AFFAIR** explores the emotional effects of an extramarital relationship. Noah is a New York City school teacher and budding novelist with a wife of twenty years and four children. Alison is a young waitress and wife from Montauk at the end of Long Island, trying to piece her life back together in the wake of a tragedy. The provocative drama unfolds separately from multiple perspectives, using the distinct memory biases of each character to tell the story.
