Two cousin's ordinary lives are flipped upside down as they discover an app that gives them the ability to control time!

When Sammy and his cousin Raj accidentally download a mysterious app onto Sammy's phone, their ordinary lives are flipped upside down as they discover the app gives them the ability to control time. With powers like pausing, rewinding, or jumping forward through time, these cousin-BFFs use the app to go on hilarious and extraordinary adventures in an attempt to fix every problem that comes their way, all while trying to keep it a secret from Sammy's meddling little sister and their multi-generational Desi family.
