THE

QUEEN CARRIES ON

A Gayle King Special

Queen Elizabeth II's reign is the longest in British history –69 years (and counting) filled with challenge and controversy, romance and heartbreak; She's now 95 and facing one of the most challenging chapters of her reign

THE QUEEN CARRIES ON: A GAYLE KING SPECIAL will center around the 95-year-old monarch's life and even focus on the passing of her husband, Prince Philip. The show will look at "her life through the eyes of people who have grown up with her, been honored by her and reported on her for decades," including Lady Anne Glenconner (Her Majesty's maid of honor), Sir Paul McCartney, royal commentator Wesley Kerr, historian Amanda Foreman and even former president Barack Obama.
