Hang on to your diapers – baby life has never been this wild! Get a knee-high view of the world with the Rugrats. This band of best friends wander off on epic adventures, make new discoveries, and learn about each other, all before snack time

A reinvention of the beloved 90s cartoon of the same name, **RUGRATS** follows a group of adventurous babies as they discover the big world around them. Lead by the bravehearted Tommy Pickles, this toddler crew takes on new experiences, exploring the world from their pint-sized and wildly imaginative point-of-view. Communicating in baby-babble indecipherable to anyone but themselves and other babies, the Rugrats face challenges, seek adventure, and philosophize under the unsuspecting noses of their busy, media-savvy millennial parents.
