# CLIENT FEEDBACK

---

## **DANNY MAHER, ASHFORD PLACE**

*"Through her professional direction and creative expertise, Dominique has crafted short videos that vividly showcase the transformative power of our work which has been pivotal in connecting us with both the public, and potential funders."*

## **ZOE DOWLER, BLINK**

*"Dominique created a short documentary film and a series of striking still images that captured the energy, impact and spirit of our Beat-Flys show. Through her creative storytelling and professional eye, she was able to bring our work to life in a way that has helped us engage audiences, celebrate participants, and communicate our impact to potential funders and partners."*

## **DANA REMBIZEWSKI, GREENHAUS**

*"Dominique worked for me and my partner to create a series of interviews. Her professionalism and creativity really helped us to create our vision for all of the business owners we worked with. It was incredibly helpful as her experience with sound and lighting gave us clear direction for all of the interviews and her editing skills made for a superb promo."*
